

## **SAVO BEZMAREVIĆ**

### **Executive Director for Coal and Power Production Joint Stock Company Elektroprivreda Srbije**

Savo Bezmarević graduated from the Faculty of Mechanical Engineering at the University of Belgrade. Over his successful career, he has distinguished himself as one of the leading experts in the revitalization of units and the definition of requirements, as well as in creating operational logic, testing, and controlling power plants.

He began his professional career in Elektroprivreda Srbije in 2000 as an operational production engineer at TPP Nikola Tesla, applying his expertise first as a lead engineer and later as chief production engineer.

Since 2002, Bezmarević has been actively involved in the revitalization of TENT A units. He has served as the director of TENT A and has held the positions of Director for Energy Production at the TENT branch and Executive Director for Energy Production at EPS.
