

## **ZORAN TEOFILOVIĆ**

### **Executive Director for IT and Digitalization Joint Stock Company Elektroprivreda Srbije**

Zoran Teofilović received his master's degree from the University of Belgrade at the Department of Multidisciplinary Studies, earning the academic title of Master of Science in Artificial Intelligence.

He has extensive experience in information technology (IT) management, focusing on strategic management, cost optimization, and efficiency in IT projects. He has built his expertise in both domestic and international companies. He joins Elektroprivreda Srbije from his previous role as Director of the IT Sector and member of the Board of Directors at Štampa sistem.

In addition to strategic planning, he has led ERP (Enterprise Resource Planning) implementation projects, including SAP and various domestic ERP systems (M&I, ASW, Pantheon, etc.). He has provided business support during system implementations and actively participated in optimizing business processes.

Zoran has completed numerous training programs and holds certifications that have enhanced his leadership skills, including Agile, Scrum, CRM, BPM, and SAP project management.

He is fluent in English.
